25X1A9a

c. Status Report on Regulatory Issuances in DD/P for action as of 2 April 1956 - Received from RCS. There are 80 such issuances in the mill. This represents a decrease of 11 since the last report. Sent to Mr. Lloyd.

d. International Business Machines Equipment - Info memo from Logistics per your request re advisability of purchasing IBM equipment. Since IBM price schedules not announced no recommendations made as of now. Purchase price of certain Remington Rand equipment is approximately 8 times annual rental. Our IBM rentals for FY 56 totalled about \$414,000, with Comptroller leading (\$144,000), OCR next (\$106,000), OCI with \$60,000, and 6 other offices accounting for the remaining \$104,000. Forwarded to Mr. Lloyd.

e. Reduction of Office of Personnel T/O to Ceiling - Memo received from Management completing Personnel's adjustments of its T/O down to ceiling. Forwarded to Mr. Lloyd for approval.
